PLI PLUS RESOURCES FOR TRAINING

Answer Books:

- Practice area books written in question-and-answer format
- Attorneys of all levels of experience can quickly find answers to all of their substantive questions
- Contain practice pointers and checklists to answer client questions

Course Handbooks:

- Course Handbooks accompany our programs. They can also be used as stand-alone reference guides.
- Guidance for lawyers by well-established experts in their fields to gain current, practical knowledge and stay informed of new legal developments

Forms:

- Over 4,500 legal forms, checklists, contracts, document templates and more, drawn from PLI Treatises and Course Handbooks
- Fully indexed and downloadable
- Each form has been specifically selected by experts for inclusion as an example of a legal concept
- Form clauses may be used to help guide new lawyers in creating legal templates

Periodicals:

- Articles offering coverage and commentary on issues of interest
- Timely, relevant analysis and insight

Transcripts:

- Word-for-word transcriptions of many PLI programs
- Great resources for hot-button issues that are currently evolving
- Complement our Course Handbooks by including discussions of the latest legal issues

Treatises and Practice Guides:

- Authoritative reference books that provide expert analysis and in-depth coverage of an area of law in its entirety
- Practical guidance on key skills
- Perfect place to begin research to gain an overview of a particular area of law
