

PERSONALIZE YOUR RESEARCH

PLI PLUS was designed by legal researchers to meet the needs of legal researchers. We provide tools to help you work more efficiently. Stay organized with My Research — you can easily add notes and marks, review your selected content, set up search alerts, and customize your research experience.

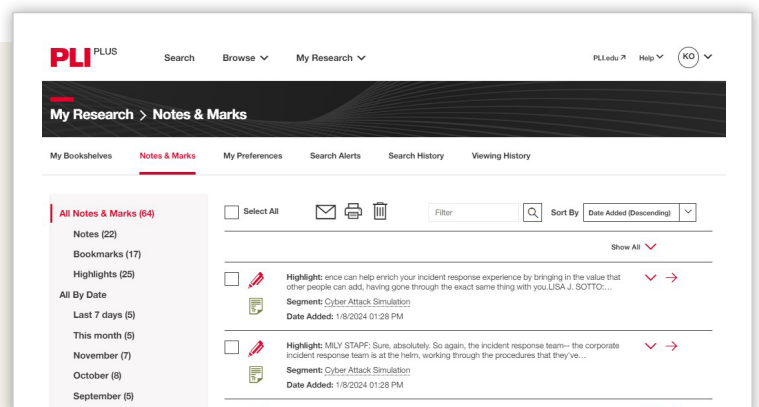

My Bookshelves

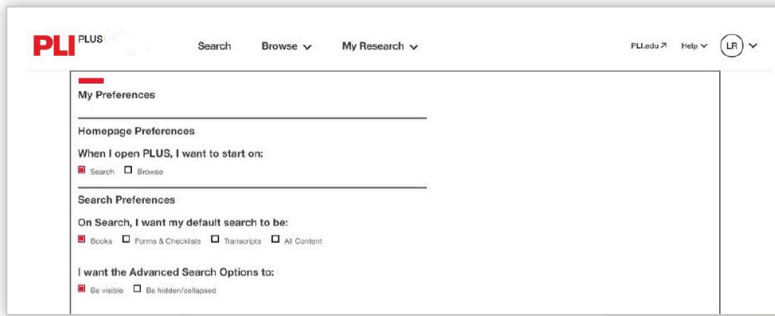

Manage documents by selecting those you find helpful in your research and save them to your bookshelf for review at any time.

Notes & Marks

View any notes, bookmarks, and highlights, including citations.

- Add note
- Highlight text
- Bookmark page

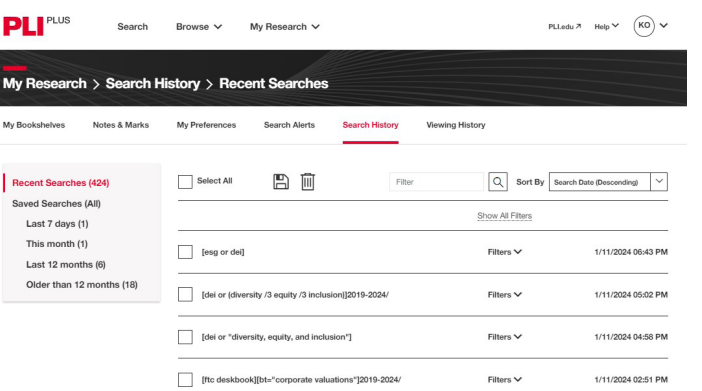

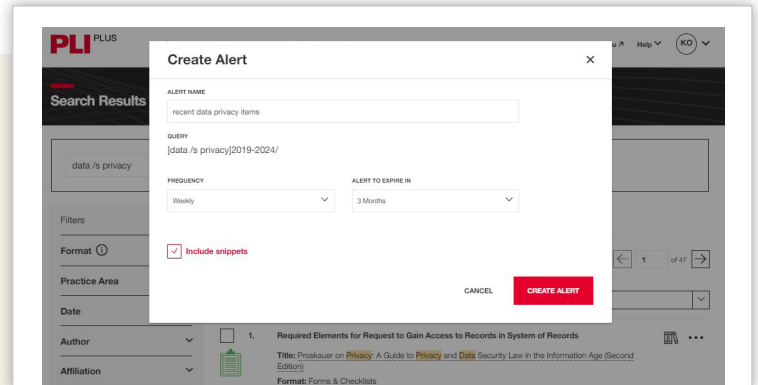

My Preferences

Tailor your PLI PLUS experience with custom homepage, search, and browse settings.

Search Alerts

To stay up to date on legal developments, set up an alert and receive an email notification when new content matching your search is published.

Search History

View your recent and saved searches and easily rerun or save selected ones.

Viewing History

Access recently viewed documents and never lose track of past materials.
